

DECISION OF THE CABINET OF MINISTERS OF THE REPUBLIC OF UZBEKISTAN

**ON APPROVAL OF THE STATE TEMPLATES OF BACHELOR'S AND MASTER'S
DIPLOMAS ON HIGHER EDUCATION**

In order to issue state-standard bachelor's and master's diplomas to graduates of higher education institutions, to expand access to information in the diploma and its supplement, and to align them with formats used in advanced international practices, the Cabinet of Ministers of the Republic of Uzbekistan resolves as follows:

1. The following are approved:
 - State templates and descriptions of bachelor's and master's diplomas in higher education — in accordance with **Appendix 1**;
 - State templates of diploma supplements for bachelor's and master's degrees — in accordance with **Appendix 2**;
 - State template and description of the academic transcript issued by higher education institutions — in accordance with **Appendix 3**.

It is established that the state templates of bachelor's and master's diplomas and their supplements will be implemented starting from the 2019/2020 academic year.

2. The "State Sign" State Unitary Enterprise under the Central Bank of the Republic of Uzbekistan shall ensure the production of blank forms for bachelor's and master's diplomas and their supplements on specially protected paper based on orders from the Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan.
3. It is stipulated that:
 - Expenses related to the preparation of bachelor's and master's diplomas, their supplements, and academic transcripts shall be financed annually by the Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan from the budget funds allocated for these purposes, based on accurate calculations;
 - Bachelor's and master's diplomas, their supplements, and academic transcript blanks shall be completed electronically and distributed to graduates free of charge (except in cases of duplicate issuance).
4. The Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan shall, within three months, ensure the development of a system for assigning individual QR codes to bachelor's and master's diplomas, as well as the related software.

Expenses associated with the development of the QR code system and software shall be covered by the Development Fund of Higher Education Institutions under the Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan.

5. The Cabinet of Ministers' Resolution No. 282 of June 2, 1999, "On Admission to Higher Education Institutions of the Republic of Uzbekistan for the 1999/2000 Academic Year," is considered null and void.

6. The Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan, together with interested ministries and agencies, shall harmonize their adopted normative-legal acts with this resolution within one month.
7. Oversight of the implementation of this resolution is entrusted to A.A. Abduhakimov, Deputy Prime Minister for Social Development of the Republic of Uzbekistan, and I.U. Madzhidov, Minister of Higher and Secondary Specialized Education.

DESCRIPTION OF THE STATE SAMPLE OF THE BACHELOR'S DEGREE DIPLOMA ON HIGHER EDUCATION

The cover of the Bachelor's diploma measures 148×210 mm and is made of solid light-brown artificial leather.

On the front cover, the emblem of the Republic of Uzbekistan is depicted using a printing embossing technique, and below it, the words BAKALAVR DIPLOMI are written in Uzbek in Latin script.

The inner part of the diploma cover is made of thick, watermarked paper measuring 145×200 mm. It is printed using the offset printing method in five colors: the text is in black and dark brown, while the illustrative elements are printed in brown and light brown.

At the center of the page, the emblem of the Republic of Uzbekistan is placed in a unique design, measuring 80×82 mm, printed in light brown. Around it is a patterned raster composed of a light

brown fine national ornamental background. At the top of the page, a 20 mm wide light-brown border is printed over the background, and above the border, the words O‘ZBEKISTON RESPUBLIKASI BAKALAVR DIPLOMI and REPUBLIC OF UZBEKISTAN BACHELOR'S DIPLOMA are printed across both pages of the diploma.

Beneath the border on both pages of the diploma, a Latin letter “V” and an eight-digit number are printed in dark brown.

For honors diplomas, under the words O‘ZBEKISTON RESPUBLIKASI BAKALAVR DIPLOMI and REPUBLIC OF UZBEKISTAN BACHELOR'S DIPLOMA, the words IMTIYOZLI in Uzbek (Latin script) and WITH HONOURS in English are printed in gold ink.

On both sides of each page, a depiction of an eight-pointed star in gold is placed. The eight-pointed stars are formed using squares measuring 15×15 mm. Additionally, on the lower right side of the diploma form, a QR code measuring 35×35 mm without background is placed.

The diploma has seven levels of protection:

1. Use of two printing methods: offset printing for the main part and a high-precision method for printing numbers;
2. Use of special inks that make machine copying difficult;
3. Printing the fine national ornament background using raster grids;
4. Use of special watermarked paper with a national ornament pattern and density of 120 g/m²;
5. Depiction of the State emblem in light brown ink;
6. Depiction of the eight-pointed stars using special selectable gold inks;
7. Use of eight-shaped variable numbers.

Academic Transcript

DESCRIPTION

The academic transcript is printed on watermarked paper using the offset printing method, with the text in black and the background in light brown.

The emblem of the Republic of Uzbekistan is depicted, and below it, in Latin script, are printed the words “O'ZBEKISTON RESPUBLIKASI”, “city name”, “name of the educational institution”, and “AKADEMIK MA'LUMOTNOMA”.

Beneath the words “AKADEMIK MA'LUMOTNOMA”, the Latin letter “VA” and a six-digit number are stamped (printed).

The academic transcript has five levels of protection:

1. Use of two printing methods: offset printing for the main part and a high-precision method for printing numbers;
2. Use of special inks that make machine copying difficult;
3. Use of watermarked paper with a special national ornament pattern and a density of 120 g/m²;
4. Depiction of the State emblem in light brown ink;
5. Use of a seven-digit variable number.
